

SERVICES PRICE LIST

Hair Salon

We exclusively use the highest quality products from L'Oréal Professionnel and Kérastase to guarantee an exceptional and long-lasting result.

Our services always include a diagnosis and budget before starting to find out what the client's wishes are, what the professional's recommendation would be and what the investment will have to be made, in time and money.

	SHORT HAIR	MEDIUM	LONG	EXTRA LONG
WASH AND STYLE	17€	20€	25€	30€

An expert stylist will wash and smooth your hair with superior quality products, then style it according to your needs and preferences. You'll feel pampered and have beautiful, healthy hair when you leave the salon.

CUT	25€
------------	-----

The cutting service will be done with scissors or a machine following the design desired by you or the advice of the professional, whether it is a cut of ends to clean up or a cut to change your style.

ROOT DYE	from 34€
-----------------	----------

Ammonia-free dyes. The price includes a tube of dye that guarantees 100% gray coverage and, if necessary, it will be dragged to the ends in the last few minutes to revive the color of the entire hair. It is possible that if you have a lot of hair and what you want is to change your color, another tube is required, but we will always say so before starting.

HIGHLIGHTS	150€ - 300€
-------------------	-------------

This is the average price to get a complete highlighting service done according to professional advice, but it will depend on what you want, the amount of hair, the base color you have and the color you want to achieve. We will always give you the personalized quote.

SHADE	from 30€
--------------	----------

Process in which a specific shade of color is used to neutralize or adjust an unwanted tone in the hair. This is accomplished by applying a semi-permanent color or bleach or tint to correct any shade for a more even, natural look.

UPDOS	from 55€
--------------	----------

MEN'S HAIR CUT	18€
-----------------------	-----

The cut can be done with scissors, machine or razor. From classic cuts to edgy modern cuts, we can help you achieve the look you want. This service includes washing with a head massage.

MEN'S HAIR AND BEARD CUT	25€
---------------------------------	-----

Includes the most daring gradient haircut and the shave. Gradient haircut and beard grooming with the most classic techniques of traditional barbershop. Made by an expert barber.

Hair Treatments

In our list of treatments you can find from a deep repair mask to the most exclusive and complete treatments on the market, always hand in hand with the best brands such as Kérastase and L'Oréal Professionel and of course we have a 100% organic line from LI ·OH.

Ask our professionals for the best treatment for you, they will make a diagnosis to understand what the needs are in each case and advise the best service in a personalized way.

KERASTASE FUSIO-DOSE TREATMENT 18€

Made up of a cocktail of personalized active ingredients made up of a Concentré and a Booster, it offers a quick and effective solution for all types of hair. Fusio-Dose is a personalized hair treatment. With 6 Concentrés and 5 Boosters available, there are up to 30 different combinations that allow you to respond to two hair needs through a single action at the heart of the fiber.

KERASTASE SCALP PEELING TREATMENT 30€

Each energizing and soothing scalp scrub is infused with its own stimulating perfume. This hair treatment deeply cleanses the hair and scalp, responding to today's main hair concerns: oily scalp, dandruff and lifeless lengths.

Soothing scalp exfoliation for all normal to dry hair types and scalps, even sensitive scalps.

KERASTASE LUXURY CAVIAR TREATMENT 90€

Pleasant hair collection to revitalize hair and scalp. Formulated with a combination of high-end ingredients (Abyssine, Hyaluronic Acid and Vitamin E) and a luxurious sensoriality to renew elasticity and volume.

Two unique treatments that release their assets by merging at the time of application. When melted, all the renewing energy of the Cream and the revitalizing principles of the mimetic caviar pearls, form a source of nutritional richness like that of caviar.

BLONDE METAL DETOX TREATMENT 15€

Wash after wash, the metal penetrates inside the hair. Removes metal residues from the water.

Avoid hair breakage and keep your perfect color.
97% less hair breakage in one use. Reliable, longer-lasting color.

LOREAL PRO LONGER TREATMENT 15€

Improve the quality of your hair by strengthening and providing resistance to the hair fiber. This way, your hair will grow stronger and much healthier. In addition, you will visibly reduce split ends, prevent hair breakage (up to 94%) and provide great shine to your long hair.

Micropigmentation

Shading micropigmentation is a semi-permanent makeup technique that creates a natural shadow look on the brows, lips or eyelids. We also guarantee that it does not hurt and the recovery is very fast.

INDIBA Facial	1h	70€
----------------------	----	-----

Super pleasant and non-invasive aesthetic treatment technique that uses radiofrequency to improve the quality of the skin on the face and neck. Through induced heat, it electrically recharges the cell and stimulates blood circulation and the production of collagen and elastin, reducing flaccidity, wrinkles, expression lines, dark circles and bags under the eyes. The results are visible from the first session and the complete treatment consists of between 4 and 8 sessions

Hidrafacial Smart Ice Blue	1h 15min	120€
-----------------------------------	----------	------

Advanced Ice Blue technology offering spectacular results combining Aqua Peel, ultrasound, radiofrequency, and hydrogen oxygen. Includes complete facial diagnosis, deep facial cleansing, lifting, wrinkle and expression line reduction, hydration, and improved skin quality.

Melanyc depigmenting treatment	1h 15min	95€
---------------------------------------	----------	-----

Reduces spots and evens skin tone, improving brightness and texture. Suitable for all skin types with pigmentation.

Hydronutrition treatment	1h 15min	85€
---------------------------------	----------	-----

Deeply rehydrates and nourishes the skin, restoring its elasticity and softness. Uses hyaluronic acid and vitamins to restore skin's suppleness and smoothness. Ideal for dry or dehydrated skin.

Exosome cocktail treatment	1h 15min	180€
-----------------------------------	----------	------

Regenerative and repairing treatment using exosomes, natural particles that promote cell renewal and stimulate collagen production. Ideal for improving skin texture, firmness, and radiance, reducing wrinkles and signs of aging. Perfect for deeply rejuvenating and revitalizing the skin.

Acne-prone skin treatment	1h 15min	89€
----------------------------------	----------	-----

Regulates sebum production, reduces inflammation, and prevents breakouts. Combines purifying and antibacterial ingredients to deeply clean pores, improve skin texture, and minimize scars. Ideal for active acne or acne-prone skin.

Anti-aging treatment	1h 15min	95€
-----------------------------	----------	-----

Revitalizes the skin, improves elasticity, and reduces the appearance of wrinkles. Uses a combination of ingredients like retinol, peptides, and antioxidants to stimulate cell regeneration and promote firmer, brighter, and younger-looking skin. Ideal for preventing and treating signs of aging.

DERMAPEN. Treatment with micro needles applying ampoule	1h 10min	90€
--	----------	-----

3 sessions Pack (79€/session)		237€
--------------------------------------	--	------

It is a device with multiple fine and sterile needles that are used to create micro-holes in the skin, stimulating the natural production of collagen and elastin. In addition, it allows us to penetrate compounds of different active ingredients up to 95%. It is used to treat skin problems such as scars, wrinkles, fine lines, sun spots, and sagging skin. It should be used by trained and experienced professionals.

KDN Treatment	1h 15min	130€
----------------------	----------	------

STAR TREATMENT. A rejuvenating and repairing system combining INDIBA and DERMAPEN-

Body Treatments

Body treatments are a set of techniques that are performed to improve the health and appearance of the body. Among the most common benefits of these treatments are the reduction of measures, detoxification of the body and improvement of circulation.

INDIBA

1h

70€

Non-invasive treatment that uses radiofrequency technology to help eliminate fat, reduce cellulite and flaccidity. A complete treatment of several sessions is recommended to obtain optimal results. Best of all, the treatment is painless and non-invasive, so there is no recovery time required.

INDIBA PACK 8 SESSIONS

520€

BODY PALP (cupping)

50min

60€

Is a beauty and wellness procedure that uses the cupping technique to help reduce the appearance of cellulite and localized fat. These suction cups create a vacuum that helps stimulate blood and lymphatic circulation, eliminating toxins

WOOD THERAPY

1h

50€

Is an ancient technique that uses the wisdom of nature to stimulate the body in a unique and effective way. The wooden tools used during the session imitate the movements of the specialist's hand, providing pressure and friction that activates blood and lymphatic circulation in a deep and lasting way. This treatment can help reduce cellulite and localized fat in difficult-to-treat areas, such as the abdomen and legs.

SEAWEED DETOX WRAP

1h 30min

129€

A wrap is made with a thermal sweat blanket to improve the absorption and release of the nutrients and benefits of the algae. This technique also helps to eliminate toxins from the body and reduce fluid retention, providing a detox effect on the body, reducing cellulite, flaccidity and stretch marks

Massages

A regular massage can be the key to relieving stress and improving your physical and emotional health. Investing in yourself through a massage can increase your energy, reduce muscle pain and improve your sleep. Don't deprive yourself of the benefits that a regular massage can offer, take the time to take care of your body and mind today!

Deep Multisensory

1h 30min

89€

For massage enthusiasts, this is a wonderful experience where every inch of your body is caressed with warm, enveloping, and relaxing oil. Experience the perfect fusion between intensity and serenity, releasing tensions and immersing yourself in an extremely pleasurable experience. Let expert hands guide this journey of well-being, providing you with a unique moment of deep relaxation and total renewal. Allow your body to surrender to the harmony and vitality it deserves.

Deep Multisensory with hot stones

1h 30min

99€

The incredible experience of the multisensory massage is enhanced by the warm and relaxing sensation of hot stones passing across the entire body, releasing tension throughout.

Strong Back, Shoulders, and Neck Massage

35min

40€

Designed to release tension in the back, shoulders, and neck. Our approach is strong and precise, targeting key points of muscular stress. Feel how each liberating pressure unravels knots and alleviates stiffness, providing deep relief. This intensive massage not only revitalizes your back and shoulders but also leaves your neck tension-free. Experience a revitalizing and restoring sensation as you awaken vitality with every movement.

Pregnancy massage

1h

70€

The benefits of pregnancy massage include stress reduction, muscle relaxation, improves blood circulation, relief of back and leg tension, and reduces anxiety levels. Massage can also improve the quality of sleep and prepare the mother for childbirth. The importance of the experience and training of the massagist is highlighted to guarantee not only that the experience is wonderful, but also the safety and efficacy of the treatment.

Children Massage

1h

55€

Designed with Gentleness and Care. This massage promotes relaxation and calm, creating a tranquil space for the little ones. The benefits include stress reduction, improved sleep, and stimulation of emotional well-being. Additionally, it fosters body awareness and teaches them to manage physical sensations. Our expert therapists tailor each session to ensure a positive and comforting experience, contributing to the balance and happiness of children.

Foot Reflexology

45min

49€

Ritual Massages

Couples massage

2h 30min

280€

Couples massage allows two people to have a shared experience sharing a closer bond. After a long day, a couple can choose this time to chat or simply relax and enjoy a unique experience together.

We know how difficult it is for most couples to spend quality time together, and a couples massage can be the way to enhance feelings of affection and intimacy by releasing hormones such as endorphins in the body.

EPIGENETIC TEST

149€

An epigenetic test provides a unique window into your health, analyzing how your genes interact with the environment. Explore your genetic predisposition through this examination, revealing information about your susceptibility to diseases, response to lifestyle, and more. Gain a personalized insight into your well-being and discover opportunities to optimize your health at a molecular level. This test not only provides data about your genome but also valuable information on how your daily choices can influence your genetic expression. A step towards a more informed and personalized approach to your health.

Rituals

SEAWEED WRAPPING RITUAL

129€

Treatment that consists of wrapping the whole body with algae and a sweating sauna blanket. This allows the body to increase metabolism and the power of the algae also achieves a deep detoxification. During the exposure time, a meditation is performed to help relax the mind and purify the energy.

1h 30min

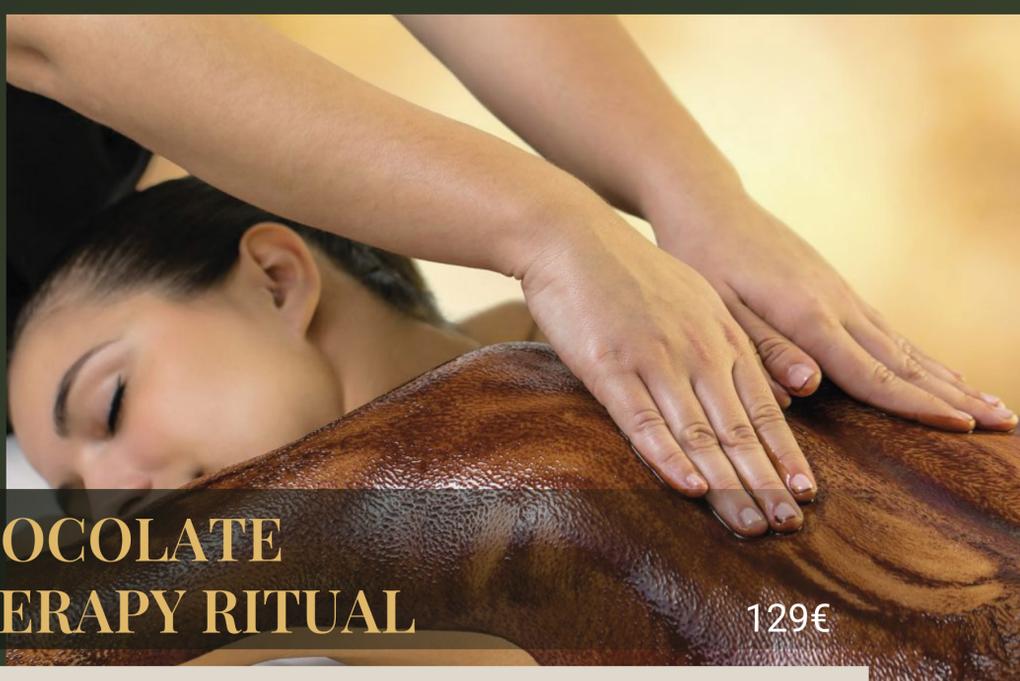

POLYNESIAN RITUAL

99€

A unique experience with 4 stopovers:

- Welcome massage
- Peeling with salts and monoi oil with vanilla
- Shower
- Relaxing massage with stones

1h 45min

CHOCOLATE THERAPY RITUAL

129€

A Supreme treatment experience dedicated to pleasure and relaxation.

A perfect combination between the relaxing massage, the body exfoliation with sugar and chia, the hot chocolate wrap and the final shower. To end with a delicious infusion.

1h 45min

THE SECRET RITUAL BY KIMBE

145€

A facial and body luxury. The first personalized ritual is born. Created from the experience of years testing and detecting the best protocols and products to achieve the best benefits.

This treatment consists of a facial with dermapen and a body massage using shiatsu pressure techniques, it also includes a healing and relaxation technique with Tibetan bowls.

1h 45min
